NOVEMBER ACADEMIC PROGRAM

Tuesday, November 13, 2018

Sequoia Room 2nd Floor, Moseley Salvatori Conference Center
637 South Lucas Avenue, Los Angeles, CA 90017

Neuropathology

Talk Title Unavailable

William H. Yong, M.D.

Director, Brain Tissue Translational Resource | BTTR
Chief, Neuropathology
Professor, Pathology and Laboratory Medicine
David Geffen School of Medicine

The Los Angeles Society of Pathologists, Inc. is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. The Los Angeles Society of Pathologists, Inc. takes responsibility for the content, quality and scientific integrity of this CME activity.

The Los Angeles Society of Pathologists, Inc. designates this educational activity for a maximum of *1.50 AMA PRA Category 1 Credit(s)™*. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

Dear Readers,

Thank you so much to Drs. Larson, Lin, and Vail for their talks during last month's Cedars-Sinai slide seminar! They were very informative and interesting; they were great!

This month we are looking forward to a delightful talk by Dr. William "Bill" Yong with the Brain Research Institute of the University of California at Los Angeles, as he discusses neuropathology.

The talk will be held on Tuesday, November 13, at our usual place at Good Samaritan's Moseley Salvatori Conference Center, with the pre-program reception (including food) starting at 5:30pm, and the talk starting promptly at 6:30pm.

As we head full swing into autumn, we get to enjoy things that normally occur once a year. For example, the turning of the leaves, the first snow (or rain, in our case), and the series of holidays that come by as we head into the new year. What you can enjoy all year round, however, are the three different ways you can join or renew your existing membership to the LASOP! For example, you may do so in person at any of our monthly meetings, through email by contacting Shirley Jacke at LASOPMD@gmail.com, or on our website at www.lasop.org.

We'll see you on Tuesday, November 13th!

*Sincerely,
The Board*

Los Angeles Society of Pathologists (LASOP) 22nd Annual All-Day Program: **Placental and Perinatal Pathology**

The Los Angeles Society of Pathologists is pleased to announce our esteemed speakers for the 22nd Annual All-Day Academic Program: **Drucilla J. Roberts, MD** and **Theonia K. Boyd, MD**.

Dr. Drucilla Roberts is Associate Professor of Pathology at the Massachusetts General Hospital, Harvard Medical School, where she has been the director of Obstetric and Perinatal Pathology since 1994. She has published more than 80 peer-reviewed manuscripts and many chapters on placental and perinatal pathology. She is author and co-author of three books on placental pathology due out in 2018 and 2019. Her interests focus on the biology of the placenta and perinatal clinicopathologic correlations, particularly understanding influences of maternal and fetal pathology on the placenta to predict neonatal outcomes.

Dr. Theonia Boyd is Associate Professor of Pathology, Harvard Medical School, and Director of Anatomic Pathology at Boston Children's Hospital, as well as a Women's and Perinatal Division pathologist at the Brigham and Women's Hospital. One of her principal interests is in placental pathology and its correlation with unanticipated untoward fetal and neonatal outcomes. She has published numerous peer-reviewed manuscripts and many book chapters on perinatal and placental pathology. She is co-author/co-editor of two books on placental pathology scheduled for publication in 2018.

Dr. Roberts and Dr. Boyd have given numerous placental and perinatal pathology courses through the United States and Canadian Academy of Pathology, the Society for Pediatric Pathology, and the Harvard Medical School Department of Continuing Medical Education, among others.

As renowned experts in these fields, they will offer LASOP members and conference attendees their expert views on the utmost relevant **topics in placental and perinatal pathology** for the practicing general pathologist:

- Ten placenta diagnoses you don't want to miss and why
- Placental pathology: frequent flyers in the medicolegal arena
- Maternal vascular malperfusion (slide show)
- The utility of perinatal pathology for the neonatologist
- Constellation disorders in placental pathology
- Fetal vascular malperfusion (slide show)

The LASOP All-Day Program is scheduled for **Saturday, January 26, 2019**, at the City of Hope Medical Center in Duarte, California.

Online registration is available using Eventbrite here:

<https://www.eventbrite.com/e/lasop-22nd-annual-current-topics-in-pathology-placental-perinatal-tickets-50910182727>

Early registration is recommended as a large attendance is expected and space is limited. Participants are encouraged to register **on or before January 11th, 2019** to receive the discounted rate. Additionally, early registrants may take advantage of the "Bundle Deal" (\$250 for active members, a \$50 savings), which includes registration for the All-Day Program and 2019 membership dues.

All-Day Program conference attendees will be eligible to participate in the BINGO game tradition to enter a raffle to win a \$100 AMAZON.COM GIFT CARD!

We hope you will all join us in January 2019 for the Annual All-Day Program to learn from world renowned experts, Dr. Roberts and Dr. Boyd, what every practicing pathologist should know in placental pathology. The LASOP is honored to have a dedicated membership and is pleased to continue to offer members this invaluable educational resource in Southern California.

LASOP Junior Board Member (Volunteer Position)

The Los Angeles Society of Pathologists, Inc. is seeking a Pathology Resident or Fellow to join the Board as the Resident Representative for the 2017-2018 academic year, holding the position of Junior Board Member. This is a great opportunity to be involved in a local society, to network with colleagues from other institutions, and to develop important leadership and management skills.

Expected roles and responsibilities of the junior board member include:

- Attendance at the monthly Board meetings and participation in discussions pertaining to activities of the Society.
- Attend the LASOP Monthly Academic Program (lectures and seminars) promoted by the Society.
- Commitment to attend and assist with the planning and execution of the 2018 LASOP Annual Current Topics in Pathology all day program on January 20th
- Assist in writing the monthly newsletter.
- Function as the ambassador for Residents and Fellows, voicing their needs and concerns.

Board meetings and LASOP Monthly Academic Programs are held at the Good Samaritan Hospital (Moseley Salvatori Conference Center, 637 South Lucas Avenue, Los Angeles, CA 90017) from 5:15 - 8:00 pm, every second Tuesday of the month with the exception of July and August (no meetings - summer hiatus). The 2018 LASOP Annual Current Topics in Pathology will take place at City of Hope (Cooper Auditorium, 1500 E. Duarte Road, Duarte, CA 91010) on Saturday January 20th and is an all-day program.

Interested applicants are asked to:

- Hold a current junior LASOP membership (free for residents/fellows)

Submit for consideration of the Executive Board:

- Current C.V.
- Brief statement: please indicate why you are interested in becoming a junior board member, what features and/or experience you possess that make you a good candidate, and what contributions you could potentially make if you are chosen for this position.
- Provide a letter from your program Director indicating you are in good standing with your training program

CVs and statements from all interested will be reviewed and voted on by the Executive Board. The Resident or Fellow with the most votes will be invited to join the board.

Please send an email with your CV and statement to Shirley Jacke at lasopmd@gmail.com and type "Junior Board Member Applicant" in the subject field.

Membership Information

The Following Junior Members were approved last meeting:

- Tom Liang – USC
- Tae Kim – USC
- Thomas Ma – USC
- Masoud Movassaghi – USC
- Brian Ma – USC
- Maya Hijazi – USC

The Following Active Members were approved last meeting:

- Dipti Sajed – UCLA

Membership applications are received on a continual basis and are reviewed at the next monthly Board Meeting.

For more information, please contact the Society's Administrator, Shirley Ann Jacke, at 310-746-7212 or lasopmd@gmail.com

Membership applications are available at:
<http://www.lasop.org/pgs/application.htm>
