

Announcement

52nd Annual Resident/Fellow Symposium

On May 13th, The Los Angeles Society of Pathologists, Inc. will hold our Annual Resident & Fellow Symposium. **This year a total of four submissions will be chosen for a 15-minute virtual presentation: 3 difficult/interesting case reports and 1 research related presentation.**

This year's prizes will consist of \$500 1st place, \$300 2nd place, & \$200 3rd place, \$100 4th place

The deadline for submission is April 13th, 2025. If selected, you will be contacted by May 1st

To submit a case, please follow the format and instructions outlined below:

Create a PowerPoint presentation (PPT) and convert to PDF before submitting them to LASOPMD@gmail.com

Your presentation should be no longer than 15 minutes which includes 3 minutes of Q & A

Please type 'Resident & Fellow Symposium' (Case Report or Research) in the subject line of your email and be sure to include all of your contact information (including your institution) and the title for your presentation in the body of your email.

The PPT PDF presentation for case reports should include:

- Your name, year of training, and program affiliation
- Pertinent patient history, labs and imaging
- Photomicrographs and microscopic description of the case
- Final diagnosis followed by discussion of the entity and differential diagnosis
- List of references.

The PPT pdf presentation for research should include:

- Your name, year of training, and program affiliation
- Brief scope of research project, what question is the project trying to address?
- Description of methods
- Results, with included photos, graphs, or other data
- Discussion of results, limitations and final conclusions
- List of references

Additional guidelines:

It is the responsibility of the author(s) to ensure that the identity of a patient or numbers associated with a patient are not apparent from the information contained in the presentation.

- Do not use abbreviations in the title or abstract and limit their use in the text.
- When using acronyms, make certain the full name is spelled out on first use.
- Use International System of Units (SI units)
- Give sources (name of company and location) for all special reagents (e.g., antibodies, enzymes, probes).
- Use generic names of drugs, unless the specific trade name of a drug used is directly relevant to the discussion.
- Follow AMA style for references.
- Reference any web page used for images or data.

Voting Criteria:

Please take a moment and review the criteria that the board will be looking for when voting on your presentations

- Originality
- Is the presentation well-organized, informative and succinct?
- Are the pictures/diagrams presented pertinent and informative?
- Is this information helpful/applicable for a pathologist in general practice?
- If specialty testing is suggested or required, is it readily available and affordable?
- Are differential diagnoses discussed (i.e., top differential diag and the key distinguishing features discussed?)
- Are diagnostic implications discussed? (i.e., how does diagnosis affect patient management?)
- Is the presentation of appropriate length (i.e., able to be presented in 15 minutes)
