The Los Angeles Society of Pathologists, Inc. is accredited by the Accreditation Council for Continuing Medical Education/California Medical Association (ACCME/CMA) to provide continuing medical education for physicians. The Los Angeles Society of Pathologists, Inc. takes responsibility for the content, quality and scientific integrity of this CME activity.

The Los Angeles Society of Pathologists, Inc. designates this educational activity for a maximum of 1.50 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education.

Dear Readers,

Please join us in applauding **Drs. Fortes, Gonzalez-Mancera, Lee, and Suddock** for their excellent presentations at the last month's 50th LASOP Annual Resident/Fellow Symposium. Our thanks also go to all of you who submitted entries!

Congratulations to the winners:

1st:

Dr. Precious Fortes - UCLA

2nd:

Dr. Jolee Suddock – LA General/Keck USC

3rd:

Dr. Tiffany Lee – LA General/Keck USC

Honorable Mention:

Dr. Miguel Gonzalez-Mancera

We end the academic year with our Summer Slide Show hosted by faculty from City of Hope. On June 13, 2023, we will have **Drs. Min Han and Parastou Tizro** present interesting cases. The slide show will start promptly at 6:30 pm and can be attended on our virtual zoom meeting platform, from the comfort of your home or office.

To register in advance for this meeting: [Click here](#)

After registering, you will receive a confirmation email containing information about joining the meeting. The seminar, as usual, will begin at 6:30 PM.

For the months of July and August we will enter our summer hiatus. We would like to wish you all a safe and fun Summer. While the LASOP will not be hosting any seminars during that time we will be close by! Please remember that you can update your membership to the LASOP. You may do so in one of two ways: through email by contacting Shirley Jacke at LASOPMD@gmail.com, or on our website at www.lasop.org.

Sincerely, The Board

PERMANENTE MEDICINE®
Southern California
Permanente Medical Group

I am a PERMANENTE PHYSICIAN.

A dedicated doctor who believes in pursuing dreams, creating hope, and driving progress.

Every physician who is part of the **Southern California Permanente Medical Group** shares a passion for advancing the practice of medicine. We fuel that passion by creating a culture of innovation and collaboration—one where the quality of care we deliver is elevated by the accelerated resources we provide.

PATHOLOGISTS

Openings in Southern California

AP/CP board certified pathologist, must have strong skills in general surgical pathology, with preferred additional fellowship training in either hematopathology, gynecologic pathology, dermatopathology, gastrointestinal / liver pathology.

SCPMG is proud to offer its physicians:

- An organization that has served the communities of Southern California for more than 65 years
- A physician-led practice that equally emphasizes professional autonomy and cross-specialty collaboration
- Comprehensive administrative support
- An environment that promotes excellent service to patients
- A fully implemented electronic medical record system
- An excellent salary, comprehensive benefits, and partnership eligibility after 3 years

Pay range for full-time openings is \$387,831.00 - \$454,791.00. Minimum salaries are inclusive of premium pay and incentives depending on skills and competencies and geographic location. Annual Salary will be based on longevity with the Group and FTE work schedule/effort.

If you believe in pursuing dreams, creating hope, and driving progress, then you're the very definition of a Permanente Physician.

City of Hope National Medical Center- ACGME Hematopathology Fellowship Program

Opening for 2023-2024

Program Overview: The Hematopathology Fellowship Program at City of Hope is designed for fellows interested in an immersive hematopathology experience suitable for academic careers or community practice. Supporting one of the largest bone marrow transplantation programs in the United States, and enjoying very active clinical and consultation services, the program evaluates more than 3,000 diagnostic specimens involving peripheral blood, bone marrow, lymph nodes and extranodal biopsies each year.

The first fellowship year is ACGME accredited and focuses on diagnostic hematopathology. Fellows are paired on clinical diagnostic services with one of over eight hematopathology attending faculty. Didactic lectures, slide seminars, patient care conferences, bimonthly research meetings and a journal club round out the educational experience. During the second year, fellows focus on their research projects and participate as instructors with opportunities for independent hematopathology case sign out within the division

Program Highlights:

- Nine hematopathologists dedicated to the education of the fellows
- State-of-the-art-facilities with in-house immunohistochemistry, molecular and next generation sequencing
- Daily consensus conferences and weekly didactics by faculty
- 3,000 diagnostic specimens, including peripheral blood, bone marrow, flow cytometry and lymph nodes
- Two-year fellowship (1st year ACGME accredited, 2nd year research focus)
- Emphasis on scholarly activities, publications and participation in research

Salary and Benefits:

Pay is commensurate with level of training
Medical, dental, disability, & life insurance
20 days of vacation/sick pay
Book/study materials fund

Program Director: Karl Gaal, M.D.
